NATUZZI ITALIA

Donna bilancia O601

TECHNICAL INFORMATION

Original artworks by Gino Donvito.

"Olive trees, wind and sun, the tower of the Norman Svevian castle, stone and more olive trees. This is the Apulian scenario in which "Puer Apuliae" was born".

DESIGN

Donvito's portraits recount a chivalrous and manorial world, a tale divided between regret of youth and passion for a time and world historically distant and shrouded in dreams. The pretext is the court of Federico II of Svevia, which becomes the ideal stage for showing timeless characters.

VERSATILITY

5 lithography inclusive of black wooden frame and anti-reflective transparent glass.
Dimension 79x79cm.
Original artwork by Gino Donvito.
2024 Limited Edition
