

# FELT 2

**Design by**  
Delo Lindo

## Description

The Felt armchair offers generous proportions and a comfortably-angled seat. The purity and fluidity of its timeless design enable it to fit into a wide variety of settings. May be complemented by a footrest if desired.

## Technical Specifications

### CONSTRUCTION

Seat and back in moulded beech multi-ply assembled with screws and inserts (along with a linking-piece made from black lacquered mechanically-soldered steel, located beneath the seat), set on two steel-cored profile bases made from satin black lacquered birch multi-ply.

### COMFORT

Integral pads on the seat and back made from high resilience polyurethane foam (43 kg/m<sup>3</sup> - 4,0 kPa). Carefully-considered, ergonomic curves on both seat and back.

### MAKING-UP

Covers of seat and back boast edge-to-edge stitching and are offered in 2 versions : with or without horizontal stitching (11 cm on both seat and back) in the centre of the cushions. Cover of backrest is held in place by a zip closure and is removable. Seat cover is not removable. Important : there is no peripheral stitching on the seat and back when this model is upholstered in velour fabric.

### COVERING MATERIALS

All covering materials may be used (NB except technical impossibilities).
