

# MCD

**Design by**  
Marie Christine Domer

**Description**

This settee combines a basic architectural shape on the exterior with a soft, comfortable interior. The smooth, clean external envelope, divided into simple squares by stitching, protects what is inside, its stitching suggestive of an external framework whilst giving plumpness to the backrests and arms. A subtle association of fabrics marks the frontier between the two: texture for the exterior, softness for the interiors. We needed a new classic in our collection and MCD 2015 fits the bill, being a classic with a current twist: city dwellers too need to snuggle up.

**Technical Specifications**

**CONSTRUCTION**

Seat in 3-layer particleboard and panels of multi-ply clad in polyether foam. Back/armrest assembly composed of panels of multi-ply clad in polyether foam. Base in natural or anthracite-stained solid beech.

**COMFORT**

Individual elastic-webbed suspension on each seat section. Integral seat cushion in high resilience polyurethane Bultex foam (36 kg/m3-2.8kPa). Integral back and armrest cushion in high resilience polyurethane Bultex foam (38 kg/m3 - 2.0 KPa).

Cover has stitched square motif on the exterior and decorative cross-shaped stitching on the interior. Padded back and armrests, stitched from the inside. Covers may be removed by a professional.
