

# VILLA ROSE

**Design by**  
François Azambourg

**Description**  
The Villa Rose collection, first presented by François Azambourg at the Exposition du Design de la Villa Noailles de Hyères, has met with great success. So it was quite natural for François Azambourg to design this new armchair in black-stained solid ash, the results of which are just as successful as what has gone before. This new version combines classic distinction and highly contemporary design details. An optional seat cushion (in anti-combustion Bultex polyurethane foam 60 kg/m<sup>3</sup> - 7.5 kPa) is on offer to bring warmth to the lines and bring a touch of additional comfort.
