

CALIN

Design by
Pascal Mourgue

Description
Pascal Mourgue designed this chair in the same idiom as the Calin seating collection. His chairs have a seat and back treatment that reminds one of a fabric covered pillow. The cover is removable and may therefore be washed (where the cover fabric itself is washable).

Technical Specifications
Pullmaflex suspension overlaid with injection-moulded foam (55 kg/m³ - 5.0 kPa) and covered with polyester ticking. Covers are removable and washable.

Base in lacquered metal tubing or hexagonal-shaped wood.
