

# SERPENTINE

**Design by**  
Eléonore Nalet

**Description**

First produced in 2012 with a steel structure, the model Serpentine is being relaunched in 2018 with 2 major innovations : the structure is now in aluminium, a light, easy-to-move material which is impervious to poor weather; the armchair-bridge is complemented with a settee. The settee and armchair/bridge combine to create an attractive outdoor seating set ideal for the garden or patio, whilst the armchair/bridge offers a refined, comfortable seating solution when placed around an outdoor dining table.

**Technical Specifications**

**CONSTRUCTION**

Aluminium finished in a double layer of Epoxy polyester lacquer. Colour: charbon.

**COMFORT**

Seat pad in polyurethane foam 40 kg/m<sup>3</sup> – 4 kPa and polyester fibre. Back composed of 3 long interwoven cushions filled with polyester fibre.

**MAKING-UP**

Covers are removable.

**COVERING MATERIALS**

100 % polyester outdoor-quality fabric – choice of écreu or taupe.
