

# STICK BENCH

**Design by**  
Lee West

## Description

For the Stick Bench outdoor bench, Lee West hoped to evoke a timeless style of craftsmanship: the seat, made from half a tree trunk, the cylindrical legs and their rustic assembly reinforce the 'raw, natural material' look of the teak, an exceptional wood which is refined and timeless. Durable by nature, Stick Bench will age well, patinating or oxidising over time, depending on how and where it is used. Half-trunk seat and cylindrical legs in non-oiled natural solid teak. Suitable for indoor or outdoor use.
