**Description**

Telescopic dining table with 3 extensions, to accommodate 6 to 12 persons. Base in matt lacquered steel (2 feet equipped with glider feet on the opening side and 2 non-sleep feet on the fixed side). Aluminium frame, anodised on the inside and matt lacquered on all visible faces. One-piece top in 10 mm thick lacquered clear glass or one-piece top in matt lacquered 'lightened' aluminium (i.e. with polyurethane foam interior). Three 50 cm extensions (stored within the table) in 'lightened' (i.e. with polyurethane foam interior) matt lacquered aluminium enable the table to extend, as desired, from 150 to 200 cm, 250 cm or even 300 cm.
