

# CINELINE

**Design by**  
Pagnon & Pelhaître

**Description**

Dining table with extension leaf in lacquer. Top in alveolar panels; feet in brilliant-chromed steel. When in 'folded' position, the Cineline dining table measures H 74 x W 100 x L 160cm. The extensions are stowed vertically beneath the top on the two 'short' sides. In 'unfolded' position, the two extensions are lifted to horizontal position to make a top 298,4 x 100cm. The chromed metal frame is more or less hidden by the extensions when the table is in 'folded' position. This table will seat six comfortably when in folded position, and between ten and twelve when unfolded. If desired, one extension can be used rather than two.
