**Description**

Dining table Ø 110 cm :  
Dining table supplied with 1 or 2 extensions (W 55 cm), to be stored separately. Unlike the 2 tops, these extensions do not have a lip. The two parts of the base and the plate at floor level are in steel: brilliant-chromed in the case of the bases and matt chromed-effect for the plate. The central base is in two parts (attached to the tops) which move apart when one wants to install the extension(s).

Where the tops are in ceramic stoneware, the extensions are in MDF clad in white Fenix whilst the edging is finished in white lacquer; where the tops are gloss white lacquered, both the extensions and edging are finished to match. This table accommodates 4 persons when closed, 6 with 1 extension in place and 8 with 2 extensions.

Dining table Ø 130 cm :  
Dining table supplied with 2 extensions (W 60 cm), to be stored separately. These extensions have fixed 7 cm lips. The two parts of the base and the plate at floor level are in steel: brilliant-chromed in the case of the bases and matt chromed-effect for the plate. The central base is in two parts (attached to the tops) which move apart when one wants to install the extension(s). These extensions are matched to the tops. This table accommodates 6 persons when closed, or 8-12 with the extension(s) in place.
