Design by
Philippe Nigro

Description

Low table with 3 different-sized tops (1 large one in black soft touch laminated panels and 2 others in natural sawn oak veneered panels) set on a black lacquered steel base. The 3 tables are linked together by their tubular base. This linking system enables the user to transform 3 tables into 2 or even 1 low table. The above-indicated dimensions correspond to the table in closed position (with 3 superposed tops). With all 3 tops unfolded, its dimensions are: H 41 W 80 L 177 cm.
