## Description

Legs in solid black-stained ash; lower (fixed) top in black ash-stained panels. The upper top, in satin lacquered MDF, rotates over the lower one thanks to a double disc and ball bearing assembly. This second top is finished in argile or lavender blue lacquer: 2 soft colours which chime harmoniously with the rest of the structure.

The above-indicated dimensions relate to the overall dimensions of the upper top when in closed position. When fully opened, its overall width is 89 cm.
