

KUF

Design by
Michael Koenig

Description

KUF is oriental in spirit, romantic and cosy. In the dialogue and opposition between the chosen materials, it is :

In wood - romantic, traditional, turned ('curly'), referencing the manufacturing techniques one might find in Austria or Italy. In aluminium - it becomes industrial, referencing the manufacturing techniques of the Orient or India.

- Pedestal table in natural satin varnished solid cherry (European cherry). The diameter of the base is 27 cm.

- Pedestal table in brilliant-polished moulded cast aluminium. The diameter of the base is 32 cm.

- Pedestal table in natural satin varnished solid walnut (American). The base (diameter 42 cm) incorporates a weight in Epoxy black lacquered steel.
