

MIRROR: EVAN

Design by
Evangelos Vasileiou

Description

A very attractive walnut-framed mirror with rear support in black lacquered steel. Amongst the great many "psyche mirrors", Evan is a breath of fresh air. One can move it, turn it at will, depending on one's current requirements and the light in the room.

Mirror with frame in natural varnished solid American walnut ; black lacquered steel support. The above-indicated height relates to the mirror when in use. The frame alone is 176 cm high.
