Harmony project Natuzzi Italia

The Harmony Project aims to offer a unified working method that ensures chromatic and stylistic harmony, preserving the brand's DNA.

This tool is intended to be more than just a product offering, aiming to harmonize an entire interior design project.

Stan

Introducing the Stan sofa, designed by Enrique Martí, offering exceptional versatility in dimensions and configurations. It features a dual power mechanism for independent lift up headrest and footrest adjustment, with a high backrest and integrated lumbar cushions for extra support. The space-saving Zerowall system allows recliner activation even when placed against a wall, making Stan adaptable to any space requirement.

Design by Enrique Martí

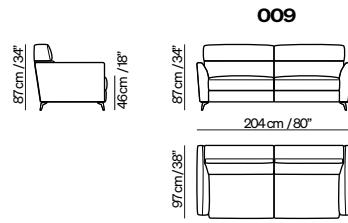

Enrique Martí graduated in Valencia with a master's degree in Design and Product Development. His professional commitment is focused on multidisciplinary design, intended as a global service aimed at his clients, applied in every activity. Enrique Martí's studio collaborates with numerous international companies and specializes in the design and development of furniture.

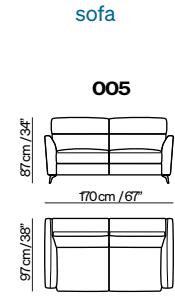

Choose your Stan

The Stan project is extremely versatile, thanks to its 25 SKUs, which allow for unlimited configurations suitable for any space, from retail stores to the homes of our customers.

Intuitive dual power motion recliner with independent control of the lift-up headrest and recliner footrest. You can effortlessly find the perfect position to support your back and neck. Whether you're tall or short, seeking relaxation or relief, this feature adapts to your every need.

When Stan 3035 is ordered in fabric is available in over 100 fabric colors and categories from the Natuzzi Italia soft covering collection. The main fabric is complemented by a contrast leather insert, available in all colors of CAT 15 Le Mans.

Manually tilting headrest is a feature available in the power motion version, allowing you to adjust the back comfort and provide neck support whenever needed. This ensures optimal relaxation and personalized comfort for reading, watching TV, or simply unwinding.

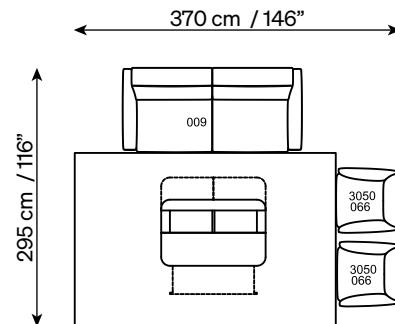

The sofa is available in different feet finishes to perfectly complement your chosen color and mood. You can choose between the elegant Glossy Chrome FT77 and the sophisticated Black Chrome FT78.

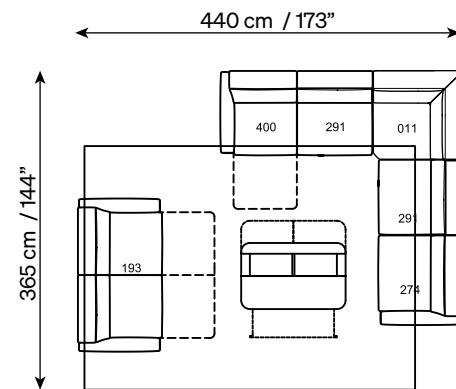

Layout Examples

It is also possible to express the versatility of the project through different layouts, suggesting the creation of various room sets to show the optimization of spaces in any living area.

Moodboard green

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Le Mans leather in Cement colour has been paired with Sanbabila fabric in Rope colour. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.

Moodboard green

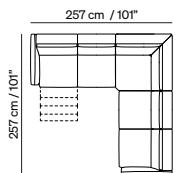

Along with the moodboard of coverings and materials, the Natuzzi Style Center harmonizes the living room with furniture and accessories to complete the interior design project.

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Le Mans leather in Silk Grey colour has been paired with Aventino fabric in Off White colour, along with Rizzoli fabric in Mink. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.
