

Full Moon

Giuseppe Viganò

Available in two heights, the opulent, quilted headboard stands out for its 'capitonné' decoration. It gives the bed a sense of softness enhanced by the equally padded bed frame. The high-headboard model (Full Moon hi) can also be equipped with storage space (Full Moon hi open). An additional distinctive detail, the circular shaped feet accentuate the sinuous design of the bed, coherently with the source of inspiration from which it takes its name.
