Type: Table

light source: LED E27 dimmable
105W HSGSA E27
dimmer on board

EEL: A++/A+/A
EEL: D

Product use: Indoor

Materials: Aluminium body, opaline blown glass diffuser

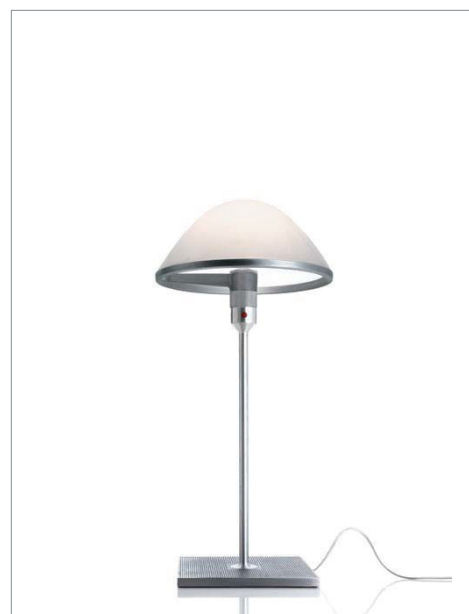

Colors: Structure in alu
Diffuser in opal

Description: Classically elegant table lamp with aluminium base and stem. The diffuser, in opal blown glass, is supported by an arm extending out from the lampholder ring, whose cylindrical shape makes assembly and disassembly of components easier.

Insulation class: 

Awards: Good Design Award, 2007
