## WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

Low

Medium

High

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

## NOTES

- In leather the model is available starting from cat. 25 (Status).

- Glossy black finishing (FT71) open base design gives a feeling of lightness to the model.
