WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- In leather, to avoid cuts on the seat and back cushions, the model is available starting from cat. 15; only in article LE MANS
- Available in Byborre covering, designed by Dutch textile innovation studio BORRE, a yarn that combines very high quality wool and recycled PES with 3D pattern and available in several colours.
- Model is not available with article Misterbianco (cat. 30).
- The headboard is also covered on the back to allow the positioning of the bed even in the middle of the room.
- Powder coated cocoa finish
