TECHNICAL INFORMATION

For the new Natuzzi Italia collection, Claudio Bellini designed the padded chair Edgar: a project that combines comfort and contemporary design.

Available with leather or fabric covering, with or without armrests, the chair is characterized by soft and rounded lines and a tall backrest that guarantees high-quality comfort.

A modern and slender project that meets the modern needs of versatility without sacrificing the indistinguishable quality and elegant aesthetic refinement of Natuzzi Italia.

PRODUCT DETAILS

Dining chair with internal structure in curved metal tubular of variable thickness, fully padded and molded with medium density polyurethane.

Seat in padded and fully upholstered plywood.

Available in version with or without arm.

All the padding is in density 50 and available in the FR version.

Available upholstery categories: Fabric (cat. 83

Botteghe-Camerelle and special fabric category 9K Byborre),

Leather (cat. 15 Lemans and cat. 30 Stromboli)

For each categories of leather and fabric activated for this chair, all the colors in the Natuzzi leather and fabric sample are available.
