WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- Design: Natuzzi Design Centre
- In leather, to avoid cuts on the seat and back cushions, the model is available starting from cat. 15; only in article LE MANS
- Model not available in Vello fabric.
- Swivel base with 270 rotation, available in 79 matt black finish
- Dual power motion recliner: soft touch buttons positioned, two on the right and two on the left, between seat and armrest.
 - Sitting down, the two left buttons open and close the footboard. The closing button is also equipped with the HOME function that closes all the mechanisms.
 - The two right buttons, on the other hand, activate the opening and closing of the wall bars.
- Plug on the back shell to connect the electrical cables. Version 830 is available in order to avoid the imperfections of electrical cables and to place the chair in the middle of the room. It contains the battery kit that must be placed under the seat.
