WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- In leather, model is available starting from cat. 30
- Internal metal frame covered with differentiated density polyurethane to provide support on the backrest (50) and softness on the seat (40).
- Seat frame is made of plywood and has elastic straps to ensure maximum comfort.
- The hidden metal feet with anti-scratch and non-slip rubbers offer a practical solution for protecting floors.
- Feet height 4cm.
