TECHNICAL INFORMATION

Designed by Natuzzi Design Center

Square was born from the idea of offering a project that combines function and design in the service of living. A side table with drawers or shelves is the perfect solution for storing and shelving our objects and making the most of space.

In addition, the height is designed to allow us to have everything at hand and work and relax in our living room in absolute comfort.

MATERIALS:

Multifunctional central coffee table, made of Medium Density Fiberboard shaped and rolled on the edges.

Fully veneered in various woods , brushed smoked oak and tobacco ash with alternate running flame.

The coffee table has two storage compartments with top opening and side drawer with full extension opening with push-to-open mechanism and soft close.

The opening of the superior storage compartment provides an additional shelf, which is useful to meet various uses.

Coffee table equipped with swivel wheels that allow easy movement of the product around the living.
