Project Identity

Natuzzi Editions

The Project Identity purpose is to offer a unique working method that guarantees chromatic and stylistic conformity and preserves the Brand's DNA.

This tool represents a guide that goes beyond the offer of a product, aiming at the creation of a real project from the stores to the customers' homes.

Charlotte

The sofa's name is inspired by the North Carolina city, well known for being elegant and dynamic at the same time. The sofa, indeed, perfectly embodies this dualism, where modern and clean lines are matched by classic and refined details, just like the tree-lined streets of the city where skyscrapers alternate with historic houses.

Design by Natuzzi Design Center

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.

Versatility and configurations

The abacus «Versions and Compositions» shows all the versatility of the project. In particular, as in the examples below:

**100****003****005****009****064**

Thanks to the Configurator, it's possible to customize this versatility according to the customer's needs.

Layout examples

It's possible to highlight the versatility of the project even with different layouts, suggesting the creation of various roomsets to show the optimization of spaces in any living area.

Moodboard warm neutral

The Natuzzi Style Center carefully selects materials and coverings, putting them in dialogue with each other. In this case, the Dream leather in the White color was paired with the Remo fabric in the Sand color. The combination of these coverings together with the wood, will give rise to the moodboard that will create the final total look of the project. Each model in the collection is presented with multiple moodboards to adapt to homes all over the world.

Moodboard warm neutral

Together with the moodboard of coverings and materials, the Style Centre harmonizes the sofa with furniture and accessories to complete the interior design project.
