Elegant Classic style armchair with beech wood structure reminiscent of the Bergère lines.

The main feature of this product is the upholstery that envelops most of the structure creating an original armchair.

The armchair is upholstered with webbing and superior quality foam and has a comfortable padded seat cushion.

The upholstery can be customised with nails, braiding, double welt or welt.

The fabric and leather quantities required are considered valid for:

- Upholstering without deep-buttoning;

- No pattern to be centered (otherwise 40% extra fabric must be added);
