

# Molteni & C

## JAN — VINCENT VAN DUYSSEN 2016

1—  
2

The structural elements of Jan, made of metal, with pewter or copper finishes, bring lightness and sobriety to the volumes, while the eucalyptus or oak woods, the stones and the glass, used for the surfaces, elegantly re-design their proportions.

### DATASHEET

REGISTERED  
DESIGN

IV.2017
