5050 — RODOLFO DORDONI 2016

1—
2

The wealth of materials used and a rigorous design are the elements that characterize 5050, a collection of bedroom furniture designed by Rodolfo Dordoni. Gloss or matt lacquered surfaces alternate with wooden tops and Eco Skin trays, creating alternating color effects that please the eye and underscore the play of solids and voids of a geometric design that is never banal. An interesting feature is the rounded contour of the structural elements that make up bedside tables and chests of drawers.
