## DART — HANNES WETTSTEIN 2007

1—  
2

A comfortable padded seat, with covers and agile design. The structure is in pressed aluminium, shiny or painted nickel, the shape is energetic. This is a comfortable padded, upholstered seat; the cover is available in leather or fabric and can be completely removed. The shape is welcoming and accommodates any need or posture. Dart has a version with arms for all collocations, whether next to an important table or as a single element.
