

SEYMOUR

DESIGN RODOLFO DORDONI

Struttura: in legno multistrati con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: sedile in poliuretano espanso a quote differenziate ad alta densità con sede concava per accogliere il cuscino migliorandone sofficià e durata. Braccioli e schienali realizzati in metallo e annegati in schiuma poliuretana ignifuga, ulteriore rivestimento in fibra termolegata traspirante accoppiata con tela di cotone bianca anallergica che conferisce morbidezza.

Cuscinatura: imbottitura cuscino schienale e sedile in piuma d'oca canalizzata (certificata Assopioma, etichetta oro) con inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza. Cuscini sedile completamente reversibili.

Sfoderabilità: cuscini sedile, cuscini schienale e struttura completamente sfoderabili in tutte le versioni (tessuto e pelle). Il divano può essere sfoderato senza smontare le basi.

Base: portante in estruso di alluminio (disegno esclusivo Minotti Studio) verniciata color Bronzo e successiva applicazione di una vernice protettiva antiurto. Appoggio a terra tramite scivolanti protettivi in nylon.

N.B.: per agevolare la sfoderabilità e la consegna, i braccioli e gli schienali sono sfilabili dalla base tramite un sistema di innesto e sgancio rapido.

Structure: in multiply wood, seat suspension is provided by elastic straps with a high rubber content.

Structure preparation: the seat structure is made of high resilience, variable-density polyurethane foam with a concave contour to cradle the cushion, maximizing softness and durability. Armrests and backrests are made of metal coated in flame-resistant polyurethane foam, an additional covering in breathable heat-bonded fiber laminated to white, hypoallergenic cotton fabric lends added softness.

Cushions: channeled goose down (certified Assopioma, gold label) padding for backrest and cushions with center insert in high resilience, variable-density polyurethane foam. Seat cushions are completely reversible.

Covers: seat cushions, backrest cushions and structure covers are completely removable in all versions (fabric and leather). Sofa coverings can be removed without dismantling the bases.

Base: weight-bearing parts in extruded aluminum (exclusive Minotti Studio design) painted Bronze color and finished with a protective, impact-resistant lacquer. Rests on nylon slides.

N.B.: to facilitate transport and removal of covers, the armrests and backrests can be removed from the base through a system of quick set and release closures.

Gestell: Aus mehrschichtigem Holz, Sitzfederung mit elastischen Gurten mit hohem Kautschukanteil.

Aufbereitung des Gestells: mit unterschiedlich dick geschäumtem, hochdichtem Polyurethan mit konkaver Sitzfläche, um das Sitzkissen aufzunehmen und den Sitz weicher und robuster zu machen. Arm- und Rückenlehnen aus Metall, eingebettet in feuerfesten Polyurethanschaum mit einem weiteren Bezug aus atmungsaktiver, thermofixierter Faser, kombiniert mit antiallergischem, weißem Baumwolltuch, das elastische Weichheit verleiht.

Kissen: Polsterung des Rücken- und Sitzkissens aus kanalisierten Gänsedaunen (Gold Label, zertifiziert von Assopioma) mit zentraler Einlage aus unterschiedlich dickem, federndem hochdichtem Polyurethanschaum. Sitzkissen beidseitig verwendbar.

Abziehbarkeit: Sitz- und Rückenkissen, sowie Struktur in allen Varianten (Stoff- und Lederbezug) vollkommen abziehbar. Das Sofa kann abgezogen werden, ohne das Grundgestell auseinanderzunehmen.

Grundgestell: Tragende Teile aus Aluminiumpressguss (exklusives Design von Minotti Studio), Bronzefarbig lackiert und mit einer stofffesten Schutzlackierung versehen. Bodenaufgabe mit Gleitschutz aus Nylon.

N.B.: Um das Abziehen und den Transport zu vereinfachen, sind Arm- und Rückenlehnen über ein praktisches, schnelles Stecksystem mit dem Grundgestell verbunden.

Structure : en bois contreplaqué avec suspension garantie par des courroies élastiques à forte teneur en caoutchouc.

Préparation de la structure : d'assise en polyuréthane expansé à densité différenciée et haute densité, avec logement concave pour accueillir le coussin et en améliorer le mouelleux et la durée. Accoudoirs et dossiers réalisés en métal et noyés dans de la mousse polyuréthane ignifuge, second revêtement en fibre thermoliée respirante doublée de toile de coton blanc anallergique donnant de la souplesse.

Coussins : rembourrage du coussin de dossier et d'assise en plume d'oise canalisée (certifiée Assopioma, étiquette d'or) avec insert central en polyuréthane expansé à densité différenciée haute résilience. Coussins d'assise entièrement réversibles.

Déhoussage : coussins d'assise, coussins de dossier et structure entièrement déhoussables dans toutes les versions (tissu et cuir). Le canapé peut être déhoussé sans démonter les bases.

Base : portante en aluminium extrudé (d'après un dessin exclusif de Minotti Studio), peinture couleur Bronze et application successive d'un vernis de protection antichoc. Patins glisseurs en nylon.

N.B. : pour faciliter le déhoussage et la livraison, les accoudoirs et les dossiers peuvent être démontables de la base grâce à un mécanisme d'enclenchement et déclenchement rapide.

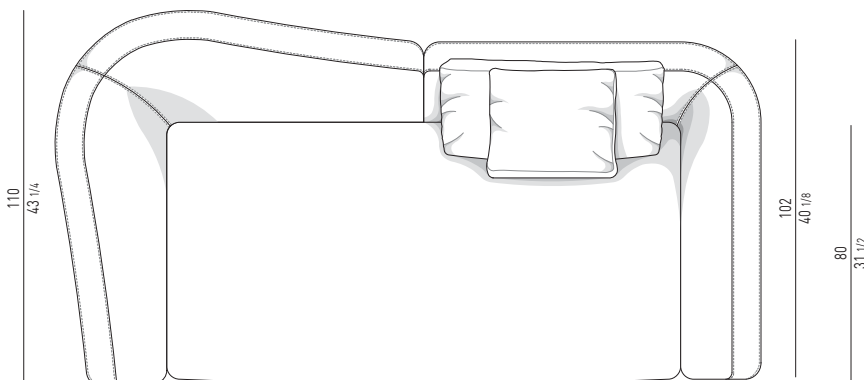

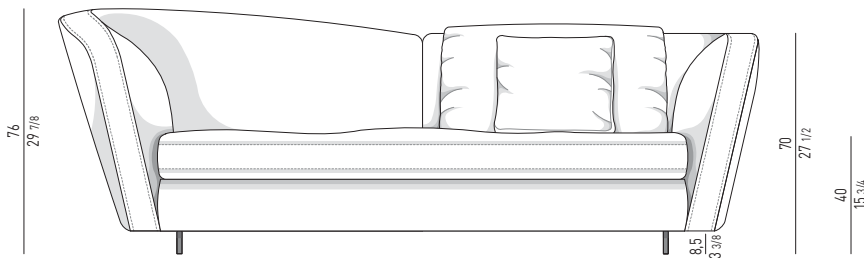

ALTEZZE E PROFONDITÀ | HEIGHTS AND DEPTHS

Il sistema si compone di elementi di seduta lineari e curvi caratterizzati da cuscino unico, ai quali vengono associati schienali schiumati in due altezze, che disegnano curve tridimensionali e consentono di realizzare sia divani fissi, sia composizioni lineari o angolari, che rispondono ad un'interpretazione più classica o più contemporanea dello spazio living.

The system comprises linear and curved seating elements with a one-piece seat cushion matched with foam backrest in two heights that form three-dimensional curves and make it possible to create both fixed sofas as well as linear or corner sectional compositions that correspond more closely to either a more classical or contemporary concept of living space.

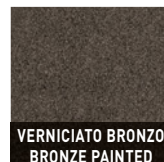

Das Programm enthält lineare und kurvenreiche Sitzelemente, gekennzeichnet durch das durchgehende Kissen, mit in zwei verschiedenen Höhen geschäumten Rückenlehnen, die dreidimensionale Kurven zeichnen und es ermöglichen, feststehende Einzelsofas zu schaffen, aber auch lineare oder Eckkompositionen, einer eher klassischen oder aber zeitgemäßen Konzeption des Wohnraums entsprechen.

Les éléments de l'assise à coussin unique dont se compose le système, sont linéaires et courbes, et s'associent à des dossiers moulés de deux hauteurs ; les courbes tridimensionnelles qui en résultent permettent de réaliser à la fois des canapés fixes et des compositions linéaires ou d'angle, répondant respectivement à des interprétations plus classiques ou plus contemporaines du séjour.

L'INFINITA COMPONENTI DEGLI ELEMENTI CURVI | THE ENDLESS MODULARITY OF THE CURVED ELEMENTS

Gli elementi curvi sottolineano le linee morbide e sinuose di Seymour e la sua propensione alla socialità e alla condivisione. Nella versione vis-à-vis, Seymour assume un carattere da protagonista all'interno dello spazio living e costruisce una vivace interazione con i tavolini Catlin e Joy "Jut Out".

The curved elements emphasize Seymour's soft, sinuous lines and its open invitation to mingle and be shared. When placed facing one another, Seymour sofas become the star players in the entire living area and engage in lively interaction with the Catlin and Joy "Jut Out" coffee tables.

Die kurvigen Elemente unterstreichen die weichen, geschmeidigen Linien von Seymour, die Geselligkeit und freundschaftliches Zusammenfinden aufrufen. In der Variante vis-à-vis beansprucht Seymour einen zentralen Platz im Living und findet seine ideale Begleitung in den Beistelltischen Catlin und Joy "Jut Out".

Les éléments courbes soulignent les lignes souples et sinueuses de Seymour et son inclination pour la socialisation et la convivialité. Dans la version vis-à-vis, Seymour devient le protagoniste du séjour et interagit de façon dynamique avec les petites tables Catlin et Joy "Jut Out".
