

HARVEY LINE

DESIGN RODOLFO DORDONI

Struttura: mobili realizzati con struttura in legno spessore 20 mm, top assemblato a 45° alle spalle laterali.

Ante: in legno, spessore 30 mm con maniglia incassata in metallo, finitura Black-Nickel. Ripiano in vetro Grigio Fumè 10 mm, posto all'interno dei moduli ad ante.

Cassetti: con guide Blum Motion, finitura interna rovere laccato Moka a poro aperto e maniglia in metallo, finitura Black-Nickel.

Base: appoggio a terra tramite base in metallo da 10x50 mm laccata semilucida color Peltro (tonalità ideata da Minotti Studio) e piedini tecnici regolabili.

Finiture: laccato lucido nei colori Bianco, Sand, Fango, Moka, Petrolio, Grigio Stone o Granito oppure in rovere laccato Moka a poro aperto. Finitura interna laccata opaco in tinta con quella esterna.

HARVEY HI-FI H53

Il modulo HI-FI è composto da:

- 1 vano porta lettore DVD-CD (misura interna cm 90x45 H14);
- 1 ampio cassetto (misura interna cm 86x37 H12);
- 1 contenitore con 3 scomparti (misura interna cm 27x37 H6).

L'ampio cassetto e il contenitore scorrono su guide a estrazione totale con chiusura Blum Motion.

Structure: cabinets with wood frame 20 mm in thickness; tops assembled at an angle of 45 degrees to the side panels.

Doors: wood doors 30 mm in thickness, with built-in metal handles; Black-Nickel finish. Smoked Grey glass shelf, 10 mm in thickness, for modules with doors.

Drawers: with Blum Motion guides; interior open-pore Moka lacquered oak finish; metal handles, Black-Nickel finish.

Base: metal base, 10x50 mm, lacquered in semiglossy Pewter color (shade devised by Minotti Studio); adjustable technical feet.

Finishes: glossy lacquered in White, Sand, Mud, Moka, Petroleum, Stone Grey or Granite and colors or finished in open-pore Moka lacquered oak. Internal finish matt lacquered matching the external finish.

HARVEY HI-FI H53

The HI-FI module is composed of the following:

- 1 DVD-CD player compartment (interior dimensions: cm 90x45 H14);
- 1 large drawer (internal dimensions: cm 86x37 H12);
- 1 three-compartment cabinet (internal dimensions: cm 27x37 H6).

The large drawer and the cabinet are mounted on full extraction guides with Blum Motion closure.

Gestell: Möbel mit einem 20 mm dickem Holzgestell, 45°-Montage des Ablageelements an den Seitenwänden.

Türen: Holzflügel, Dicke 30 mm mit eingelassenem Metallgriff, Black-Nickel-Finish. Einlagenboden in den Flügelmodulen aus 10 mm Rauchglas.

Schubladen: mit Blum Motion Führungen, Innenfinish aus Eiche, offenporig lackiert in Mokka, und Metallgriff im Black-Nickel-Finish.

Grundgestell: Die Auflage auf dem Boden erfolgt durch ein 10x50 mm starkes Metallgestell mit zinnfarben-em Halbglanz-Lack-Finish und technische (von Minotti Studio erfundener Farbton), höhenverstellbare Füße.

Ausführungen: Glanzlackierung in den Farben Weiß, Sand, Schlamm, Mokka, Petroleum, Steingrau oder Granit aus offenporig in Mokka lackiertem Eichenfurnier. Innen matt lackiert und passend zum Außenfinish.

HARVEY HI-FI H53

Das HI-FI Modul besteht aus:

- 1 Fach für den DVD-CD-Player (Innenabmessung cm 90x45 H14);
- 1 große Schublade (Innenabmessung cm 86x37 H12);
- 1 Schrankelement mit drei Fächern (Innenabmessung cm 27x37 H6).

Die große Schublade und das Schrankelement gleiten auf komplett herausziehbaren Führungen mit Blum Motion Verschluss.

Structure : meubles réalisés avec structure en bois de 20 mm d'épaisseur, plateau assemblé à 45° aux épaulements latéraux.

Portes : en bois, épaisseur 30 mm avec poignée encastrée en métal, finition Black-Nickel. Tablette en verre Gris Fumè 10 mm, située à l'intérieur des modules à portes.

Tiroirs : avec glissières Blum Motion, finition interne rovere laqué Moka à pore ouvert et poignée en métal, finition Black-Nickel.

Base : piètement avec base en métal 10x50 mm laquée semi-brillante couleur Étain (tonalité conçue par Minotti Studio) et pieds techniques réglables.

Finitions : laquées brillantes, couleurs Blanc, Sand, Boue, Moka, Pétrole, Gris Stone ou Granit ou bien en chêne laqué Moka à pore ouvert. Finition interne laquée mate en teinte avec finition externe.

HARVEY HI-FI H53

Le module HI-FI comprend :

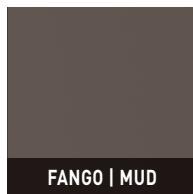

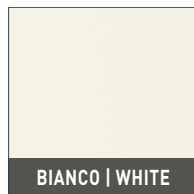

- 1 emplacement porte-lecteur DVD-CD (mesure interne cm 90x45 H14) ;
- 1 grand tiroir (mesure interne cm 86x37 H12) ;
- 1 rangement à 3 compartiments (mesure interne cm 27x37 H6).

Le grand tiroir et le rangement coulisent sur des glissières à extraction totale et sont munis de fermeture Blum Motion.
