## Moodboard green

To bring harmony to the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, the Status leather in Rosemary colour has been paired with Circomassimo fabric in Mint colour. The harmonization of these coverings with woods and marbles will give rise to the moodboard that will define the final total look of the project. Each collection model is presented with multiple moodboards to suit all market geographies.

## Moodboard green

Along with the moodboard of coverings and materials, the Natuzzi Style Center harmonizes the living room with furniture and accessories to complete the interior design project.
