

Milton

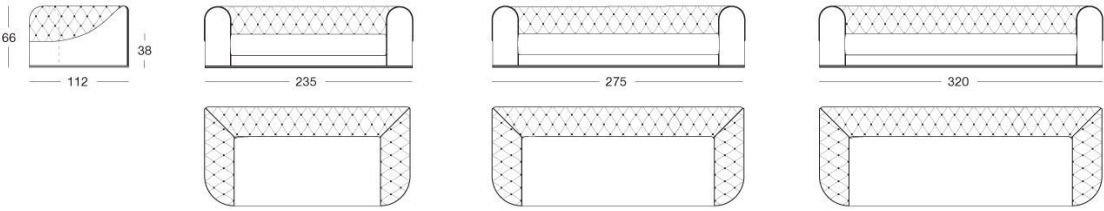

W 580 Giuseppe Iasparra

Struttura in legno, con cinghie elastiche ricoperta in poliuretano espanso ad alta densità. Rivestimento dello schienale e parte del bracciolo con lavorazione artigianale "Capitonné" con i bottoni in tinta unita o, in alternativa, con cristalli "Swarovski". Cuscino di seduta con rivestimento liscio in poliuretano espanso a tripla densità, ricoperto da un soffice trapuntino in piuma d'oca sterilizzata. Alla base del divano è collocata una bordatura in metallo nelle finiture: cromato lucido, cromo nero lucido, oro chiaro lucido, oro Champagne opaco e bronzo satinato opaco. Data la particolare lavorazione, la struttura, sia in pelle che tessuto, non è sfoderabile, mentre il cuscino di seduta è sfoderabile.
