

CHAIR SYSTEM VERA

Art.no.: 1610

Measurement: 48x63/98/48 cm

Description: This chair is part of the "chair system Vera". The back is upholstered and the frame in solid beech. There are two seating upholsteries available: Cold foam contoured upholstery, on webbing (G) and with coils (X). Legs can be delivered in following designs: Gustav (G), Louis (L), Nico (N), Patricia (P), Queen (Q), Sandra (S).

In combination with the "table system Varia" (7 legs, 5 measurements) the dream of creating your own dining area becomes reality. For every Vera-chair you will find the convenient Varia-table!
