

CHAIR SYSTEM VERA

Art.no.: 1613

Measurement: 48x62/97/48 cm

Description: This chair is part of the chair system Vera. The Frame is in solid beech. The upholstery of the seat cushion is available in 2 versions: Cold foam contoured upholstery, on webbing (G) and with coils (X). Legs can be delivered in following designs: Gustav (G), Louis (L), Nico (N), Patricia (P), Queen (Q), Sandra (S).

In combination with the "table system Varia" (7 legs, 5 measurements) the dream of creating your own dining area becomes reality.

For every Vera-Chair you will find the convenient Varia-Table!
