## Technical Features

Saddle Leather(Cuoio) is a high-quality material, renowned for its resistance, flexibility, and durability. Derived from animal hides, Cuoio is tanned to make it waterproof and wear-resistant. This processing gives it a wide range of colors and finishes, making it suitable for any style and taste.

### Saddle Leather (Cuoietto)

Natural grain item that has undergone a special treatment that gives it a very stiff hand hence the name "cuoietto." The coat - of fine European origin - has received a pigmented finish that provides good stain resistance. ### Saddle Leather (Cuoio Pieno Fiore )
