Campus

Introducing the Campus model: a masterpiece of intricate yet sophisticated design by Mauro Lipparini that embodies timeless elegance with a modern touch. Its modular seating system adapts effortlessly to any living room, allowing you to create the perfect configuration for your space, decoration, and comfort needs. Each seat, upholstered on every side, can stand alone in different rooms, offering unparalleled versatility. Choose from metal feet in glossy champagne or matt black, each with anti-scratch liners and matching zipper colors, to add a touch of refined style to your home. Campus is where timeless design meets modern functionality.

Design by Mauro Lipparini

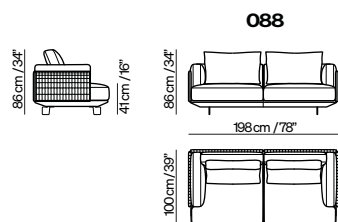

Lipparini is an eclectic architect and designer who expresses his creativity in all areas: complex industrial projects, interior architecture, installations, study of products. He is one of the leading figures of “Italian minimalism”, internationally successful, and his talent earned him many recognitions. Recognized in competitions around the world such as the Good Design® Global Awards.

Leather and Fabric

The intricate yet measured and sophisticated design makes this model a testament to timeless shapes and languages, with a modern touch. The model is available in leather or fabric.

The 589 version always features a tobacco-colored elm wood top and can function as both a corner piece and an end module in a linear configuration.

Order CAMPUS with code 3147 for armrest and backrest shells in Gargano suede leather, available in multiple colors. With code R147, choose from over 100 fabric textures and 50 leather colors for a fully upholstered frame.

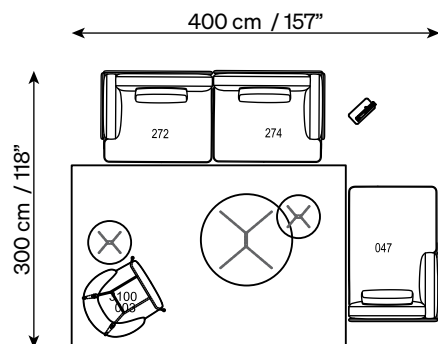

Metal legs are available in two finishes: 46 glossy champagne and 79 matte black. The leg finish is paired with the zipper color. When the leg is champagne (46), the zipper color is gold. When the leg is matte black (79), the zipper color is silver. This feature allows for a stylish and coordinated look, enhancing the overall aesthetic of the sofa.

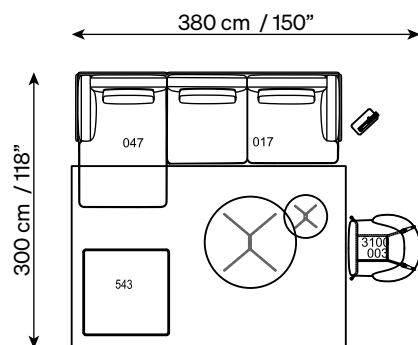

Layout Examples

It is also possible to express the versatility of the project through different layouts, suggesting the creation of various room sets to show the optimization of spaces in any living area.

Moodboard cold neutral

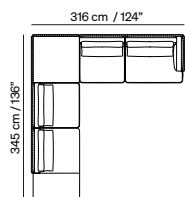

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Sanbabila fabric in Light Grey has been paired with Laguna fabric in Dark Grey or, alternatively, Rizzoli fabric in Warm Dark Grey. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.

Moodboard cold neutral

Along with the moodboard of coverings and materials, the Natuzzi Style Center harmonizes the living room with furniture and accessories to complete the interior design project.
