Sweel chair with metal base

Archirivolto

Chair with seat and backrest padded and lined with softer fabric (mud, cognac), kalix (sand grey and grey) and Paris (cream and beige).

Paint coated metal frame available black, white, bronze and pearl beige.

Also comes in the custom made-to-order version. Also two-coloured.

measurements chair 60x57x81 cm

The family of Sweel seats keeps growing with a refined metal structure and a soft cosy seat.

The cosy backrest provides support for the arms and offers a sitting flexibility.

Lined with fabric or leather, it is simultaneously an aesthetic element and functional response to living space needs.
