

product *Inciso mirror*
design *Gino Carollo*
finishes *Family of mirrors with moulded shape in two sizes with engraving on the surface.*

Dimensions *100x100h / 70x180h*

Each engraving contributes to creating a complex and multifaceted visual experience, challenging the traditional notion of order and symmetry that often characterizes conventional mirrors. This mirror thus becomes a form of artistic expression, a dynamic artwork that continues to evolve over time. Its beauty lies not in the perfection of shapes but in its ability to capture the essence of human creativity and provide a space for reflection and interpretation.
