VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- The Cuccioloso C310 model can be manufactured exclusively with the PET CARE fabric (Category 70). The Pet Care fabric is GRS-certified, guaranteeing that the material comes from recycled sources and is produced in compliance with strict environmental and social standards. The fabric is available in 7 colors, allowing the seat to be customized according to individual style and preferences.
- Optional: Customization with the pet’s name, embroidered with a single contrasting thread. When entering the order in Nares, in the section where the model details are entered, by selecting “Y” in the Embroidery field, an additional field will open where the name for the customization can be entered.
- This pet bed is completely removable-cover, very easily, thanks to zippers sewn internally; the inner and outer parts of the bed can be removed independently.

The covers are machine washable at 30°C.
