TECHNICAL INFORMATION

SUEZ plaid, made with fabric Terme.

Terme is a polyester velvet with high mechanical performance, an emblem of richness and preciousness. Compared to classic cotton velvets, this velvet does not dent thanks to its shaved and very dense and beaten pile.

Suez is made of stitched velvet (front) and matching cotton (back), edged with a contrasting thread.

Available in 6 colours

Packed in a pouch

Size: Length 180 cm x width 132cm
