TECHNICAL INFORMATION

Designer: Mauro Lipparini (Lipparini Studios)

The Habita Coffee Table represents the perfect interpretation of style and functionality harmony for our living space. This innovative table is designed to offer a perfect balance between aesthetics and practicality, making it an ideal choice for those who wish to furnish their living room with elegance and practicality.

Quality and Durability

Wood Fiber Structure - The Habita Coffee Table is made entirely of MDF - wood fiber, ensuring robustness and durability without compromising aesthetics. Available in various essences in wood veneer or glossy lacquer, it integrates seamlessly with different interior styles.

Versatility of Use

The Habita Coffee Table is suitable for various needs and daily activities, enhancing its utility for the customer.

Elegant Multi-functional Top

Equipped with a swivel mechanism and rotating piston, it transforms the coffee table into a workspace or additional support area, improving everyday functionality.

Swivel Wheels

They allow the Habita Coffee Table to be easily moved and positioned as needed, offering a practical solution for organizing domestic spaces.

Made in Italy

The Habita Coffee Table represents high quality and careful design, ensuring a product that meets Italian excellence standards.
