Harmony project

Natuzzi Italia

The Harmony Project aims to offer a unified working method that ensures chromatic and stylistic harmony, preserving the brand's DNA.

This tool is intended to be more than just a product offering, aiming to harmonize an entire interior design project.

Dorian

Introducing the Dorian sofa from Natuzzi Italia, a masterpiece of Italian design by Manzoni & Tapinassi. This sofa boasts a sleek silhouette and a comfort-centric design, thanks to its premium-quality padding. Its extreme modularity allows it to fit seamlessly into any space, with individual seat modules that can be used independently.

Elevate your living space with the timeless elegance and exceptional craftsmanship of the Dorian sofa

Design by Manzoni & Tapinassi

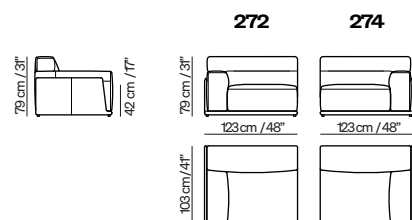

The fascinating encounter between the extensive experience of Professor Roberto Tapinassi and the expressive originality of architect Maurizio Manzoni began in 2001. From the start, the two designers found common ground in their decision to develop ideas around contemporary living and their desire to present innovative solutions that aim to build on the Italian philosophy of forward-looking, research-based design.

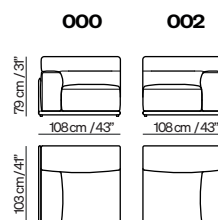

Choose your Dorian

The Dorian project is extremely versatile with its 13 SKUs, allowing for unlimited configurations suitable for any space, from retail stores to customers' homes.

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Cassidy Leather in Camel has been paired with Portavenezia Fabric in Camel. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.
