Harmony project

Natuzzi Italia

The Harmony Project aims to offer a unified working method that ensures chromatic and stylistic harmony, preserving the brand's DNA.

This tool is intended to be more than just a product offering, aiming to harmonize an entire interior design project.

Dolcevita

The Dolcevita bed exudes a glamorous vintage vibe with its lavishly padded headboard, showcasing exquisite hand-tufting craftsmanship. Elevated by charcoal-grey metal feet, it offers an airy elegance. Designed by Manzoni & Tapinassi, this bed promises supreme comfort and a touch of Italian luxury.

Design by Manzoni & Tapinassi

The fascinating encounter between the extensive experience of Professor Roberto Tapinassi and the expressive originality of architect Maurizio Manzoni began in 2001. From the start, the two designers found common ground in their decision to develop ideas around contemporary living and their desire to present innovative solutions that aim to build on the Italian philosophy of forward-looking, research-based design.

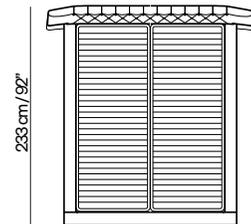

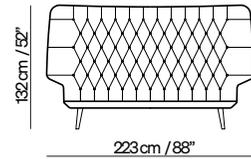

Choose your Dolcevita

The Dolcevita project is highly versatile, with the bed available in different sizes to accommodate various spaces.

Moodboard warm neutral

To bring harmony to the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, the Stromboli Leather in Nude has been paired with Settecolli Fabric in Hazelnut. The harmonization of these coverings with woods and marbles will give rise to the moodboard that will define the final total look of the project. Each collection model is presented with multiple moodboards to suit all market geographies.

Moodboard warm neutral

Along with the moodboard of coverings and materials, the Natuzzi Style Center harmonizes the bedroom with furniture and accessories to complete the interior design project.
